

## Information on the Payment of Social Contributions for Re-registration

as per 27.06.2022

In accordance with the enrollment regulations of TU Dortmund University, proof of payment of contributions and fees is required for enrollment or re-registration.

**Enrollment:** After their enrollment documents have been received, new students coming to TU Dortmund University receive a payment request with all the necessary details.

**Re-registration:** In the course of the re-registration procedure, students are sent a payment request via the university's online services which is available for download. The date on which the money is credited to TU Dortmund University's account is the deciding factor regarding compliance with the re-registration deadline.

The **contributions** are social contributions levied by TU Dortmund University for the General Student Committee (AStA) and the Studierendenwerk Dortmund for each semester.
