## INVITATION TO THE SUMMER FESTIVAL

Join us on June 23, 2022, starting at 3:00 p.m. to finally celebrate the TU Dortmund Summer Festival again!

On that day, the North Campus will once again be transformed into a place to celebrate. Faculties, student councils, initiatives and institutions of the TU Dortmund will present themselves with a diverse program. Experience live bands, hands-on activities, hands-on experiments and much more. Look forward to international dishes that will be offered on the Mensabrücke.

The summer festival also has a colorful children's program in store for younger guests.

The Rectorate and our sponsors are looking forward to celebrating with you!

Your

Manfred Bayer  
Rector of TU Dortmund University
